

Creative Services Specialist – BrightWave Marketing

****ATLANTA-BASED APPLICANTS ONLY PLEASE****

Job Description & Requirements

Award-winning, fast growing digital marketing agency based in Midtown Atlanta seeks web designer and HTML/CSS hand-coder.

Our ideal candidate is proficient at hand-coding HTML/CSS at an expert level (without the aid of Dreamweaver, WYSIWYG, etc.) with quick turnaround times and has experience in web design – front-end design background preferred.

Experience coding/testing HTML for email and email deployment applications is a plus. Proficiency with Adobe Photoshop and Illustrator is required.

Working for BrightWave Marketing

BrightWave Marketing is recognized as the top email marketing agency in the country and we have expanded to offer our clients a full complement of digital target messaging services that include social media, mobile, voice and search marketing programs that drive measurable results and make up what we refer to as “digital targeting messaging.”

The right person will thrive working with a fast-moving and client focused services team in a flexible work environment with tight deadlines. All team members work in an open and collaborative setting where each individual is able to contribute greatly to the success of our clients and the company. Each employee has the ability to rise quickly in the company both financially and through greater responsibility.

We offer a competitive compensation package that includes multiple bonus opportunities, profit sharing, health benefits and a flexible work structure. Most importantly you will have the opportunity to be valued in a company that does exciting and important work for top brand clients in the digital world. Check us out @ www.BrightWaveMarketing.com and [Twitter.com/BrightWave](https://twitter.com/BrightWave) to get a better read on who we are and what we do.

****IMPORTANT**** Please attach resume, coding, design samples and desired compensation when responding. Include **Creative Services Specialist** in the Subject Line and yes, that is a test.
